## Citizens Bank by Tim Hanno

Whether you're a student or parent looking to cover some college costs or interested in new ways to manage student loan payments, Citizens Bank lending options can help make paying for school easier and more affordable. Citizens Bank offers more options than any other Lender to help pay for tuition and other eligible school expenses. After savings, scholarships, grants and federal loans are accounted for you may still have a balance to cover.

Out of School and need room in your budget? By refinancing federal and private student loans, you could start saving more for what's next, like buying a home, traveling or even getting married. Depending on your situation, refinancing could help you save more by lowering your rate, turning multiple loans into one monthly payment, and paying off loans faster with shorter terms. When you're ready to apply for our student, parent or education refinance loan, we're ready to help guide you through the entire process. Please stop into the Liverpool Branch at 7541 Oswego Road and ask for Tim, our student loan expert, and he will be glad to help you. Citizens offers \$2,500 undergraduate scholarship award. Apply on line by August 1st. 315 622-1294

## Tips to Create Curb Appeal by Donna Johnson

Curb appeal is the first impression that anyone has of your home. Follow these 5 Top Tips to make your home welcoming!

1. Mow your lawn, but not too short. One mistake that many homeowners make is that they think if they cut the law super short, it will look neater. Leaving your lawn a few inches longer makes it healthier, chokes out weeds, resists browning and gives your home a lush, healthy look. Trimming around walkways, fences, mailboxes and trees will make it look tidy and healthy.

2. Freshen up that mulch. Turning over mulch and adding new will give your flower beds a fresh look, reduce weeds and help to retain moisture. Consider using rubber mulch, as it does not mold, degrade or harbor insects.

3. Potted flowers. Add color with ease and low maintenance! Potted flowers on porches, steps and walkways are an easy way to add beauty to your home. Hanging baskets can also be an easy way to add color and curb appeal.

4. Wash your house - After a long winter and wet spring, your siding may need a washing. There are many products that can be applied with a garden hose to clean vinyl or aluminum siding with ease. Touch up paint on wood siding and window trim. Bring sun bleached vinyl shutters back to life by treating them with ReColor. This product restores color to vinyl, plastic and resin in one easy application and is available at Target and from several online retailers.

5. Keep clutter out of site. Keep yard tools, kids' toys, folding chairs and anything else in a garage or shed to keep your home looking neat, clean and tidy!

Are you ready for your next home? As a Licensed Real Estate Salesperson, I can help you decide what you should do to make your home look it's best. As your neighbor, I can also provide a FREE home value analysis to help you make informed decisions about listing your home. Please see my advertisement in this newsletter or call/text me at 315 935-5740.

## Spring Wildflower Identification Walk at Friendship Woods

Joe McMullen, a local botanist from Bayberry, will lead a spring wildflower identification walk at Friendship Woods on **SATURDAY, MAY 12 AT 10AM**. Friendship Woods is a Central New York Land Trust property located east of County Route 57 just north of the Bayberry and Irongate subdivisions, Town of Clay. The property offers a nice mix of wetlands and upland forest habitats with many spring wildflowers. Trees and shrubs common to the diverse forests in this area will also be covered.

We will meet at dead end of Apricot Lane on the south side of Friendship Woods. This event is rain or shine, so please dress for the weather. Insect repellent may be a good idea. Please do not park on the dead end portion of Apricot Lane. Parking is available along adjacent streets.
